- Developed and maintained web apps using C#, .NET, and SQL, creating new systems and enhancing existing ones.
- Provided technical support and streamlined development processes for greater efficiency.

PROJECTS

Social Scheduler

- A scheduling tool integrating with Google, Zoom, Microsoft, Instagram, LinkedIn, Facebook, and Twitter to streamline meeting and social media posting.
- .NET Core, third-party app integration, OAuth 2.0 authentication, data validation, business logic.

SFA (ERP)

- Developed and implemented critical modules for finance, HR, sales, and inventory management, optimizing system performance and ensuring smooth integration with existing systems.
- collaboration with stakeholders, business needs, technical solutions.

SAA Taxation

<https://saataxation.com>

- Developed and implemented key features such as tax filing, deductions tracking, tax planning, compliance management services.
- Designed and integrated a secure payment gateway for safe and efficient transaction processing.
- Developed a form builder tool to create custom forms for various services, providing flexibility in service offerings.
- Collaborated with stakeholders to understand requirements beyond taxation and incorporate them into the application.

Solar ERP

- Led the development of an ERP application from design to implementation.
- Designed a microservices architecture for scalability and maintainability.
- Managed load balancing and developed an API gateway for performance and security.
- Utilized Docker for streamlined development and deployment, and collaborated with cross-functional teams.

EDUCATION

SECONDARY EDUCATION

Adarsh Public Secondary School 2007

HIGH SCHOOL

Vivekanand Vidhya Bhawan 2009

BACHELOR OF ENGINEERING (Elect. & Comm.)

Rajasthan Technical University 2016

SKILLS

- Languages : C#
- Frameworks : ASP.NET, .NET Core, Entity Framework
- Database Management : SQL Server, MySQL, MongoDB
- API Development : RESTful APIs, Web API
- Design Patterns : MVC, Repository Pattern
- Web Technologies : HTML, CSS, JavaScript
- Software Development Tools : Visual Studio, Git, Docker
- Agile & DevOps : Agile methodologies, CI/CD
- Soft Skills : Problem-solving, attention to detail, teamwork, communication, time management

CERTIFICATION

Complete Web Development Bootcamp

Udemy 2023-03-15

A Full-Stack Web Development course with HTML, CSS, Javascript, Node, React, PostgreSQL, Web3 and DApps
